Promjena/editovanje odgovora

The image shows a web application interface for managing quiz questions. On the left is a sidebar with navigation links: LOGOUT, CHANGE PASSWORD, QUIZES, EDITORS, and INBOX. The main area displays a quiz question: "Inside which HTML element do we put the JavaScript?". Below the question is a table with four options, each with a checkbox, a number, the HTML tag, and buttons for DELETE and EDIT. Option 3, "< script>", is selected. At the bottom of the table is an "ADD NEW" button. An "EDIT" modal is open in the foreground, containing a text input for the answer, a "Correct?" checkbox, and "ADD" and "CANCEL" buttons.
